

Range Systems has been an industry-leading solution provider of live fire facilities since 1994. Our team has an extensive history of engineering, fabricating and installing superior performing shooting lane dividers worldwide. We have set the standard for range safety, unique capabilities and unmatched ballistic performance within our solutions.

At Range Systems, we understand that every project is unique and requires thoughtful planning and consideration. Through decades of experience our team is ready to work with you in selecting the right lane divider to meet your needs.

Product Overview

Range Systems lane dividers organize the firing lane into defined shooting positions, provide a location for mounting local target controls and offer protection from adjacent shooting positions. The proper lane dividers for your range can dramatically improve the perception and reality of the safety and quality of the range.

We offer six standard styles of shooting lane dividers to customize your range and create the ideal shooting experience: Pro-Tacts Standard, Pro-Tacts Diamond, Clearview, Pro-Tacts Combo, Fortress and Mobile Shooting Stall.

Range Systems will custom design a shooting stall to your specific requirements. Some options include:

- Shooting shelves
- Barricades
- Rifle rests
- Brass guards
- Blast shields
- Branding
- Coat hooks
- Bench options with lower storage shelves
- X-Shot Lite
